

<b>Job Description</b>		
Position: Product Development (Desgin) Intern - Tinkerer		
Reports to: Director of Development		
Responsible to: All things finance	Type of position: <input type="checkbox"/> Full-time <input type="checkbox"/> Part-time <input type="checkbox"/> Contractor <input checked="" type="checkbox"/> Intern	Hours: 45/week  <input type="checkbox"/> Salary <input type="checkbox"/> Hourly <input checked="" type="checkbox"/> Internship
<b>Job Description:</b>  <p>Tinkerer – Will be part of a team that is charged with a product line contribution as a business unit. This extends from increasing the profitability of existing products to developing new products for the company. You will build products from existing ideas, and help to develop new ideas based on your industry experience and your contact with customers and prospects. You must possess a unique blend of business and technical savvy; a big-picture vision, and the drive to make that vision a reality.</p>		
<b>What we require:</b>  <p>Must be punctual. Must have a clue. Must love dogs. Must have patience and a great sense of humor. Must have executive hair. Must understand unpaid internships will be metaphorically enriching.</p>		
<b>What you will do:</b>  <p>Help determine customers' needs and desires by specifying the research needed to obtain market information. Work on new product ideas and/or product or packaging changes. Brings new products to market by analyzing proposed product requirements and product development programs; preparing return-on-investment analyses; establishing time schedules with engineering and manufacturing.</p>		
<b>What you will learn:</b>  <p>How to make stuff. How to ship stuff. How to sell stuff. How to work and communicate with a diverse team of people from around the world. That you will teach as much as you will learn. That Weiguo Solutions is hard to say, impossible to forget.</p>
